

## Substantial Amendment to the 2016–2020 North Carolina Consolidated Plan and Program Year 2019 Annual Action Plan to include CARES Act Funding for CPD Formula Programs

---

**Summary:** The State of North Carolina’s 2016-2020 Consolidated Plan details the funding strategy for the Community Development Block Grant (CDBG), HOME Investment Partnership Program (HOME), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA). The Annual Action Plan (AAP) details each year within the North Carolina Consolidated Plan and outlines the implementation of annual funding, which is developed through public input, analyses, and planning. In 2019, the State of North Carolina submitted the PY2019 AAP to the U.S. Department of Housing and Urban Development (HUD). Additionally, the State of North Carolina’s Citizen Participation Plan (CPP) describes the efforts that the State will take to encourage its residents to participate in developing these plans. The plan also includes the public process when a substantial amendment to the Annual Plan is proposed.

Amendments to the approved Consolidated Plan are required whenever a jurisdiction makes one or more of the following decisions:

- (1) Make a change in its allocation priorities or a change in the method of distribution of funds;
- (2) Carry out an activity, using funds from any program covered by the Consolidated Plan (including program income), not previously described in the action plan; or
- (3) Change the purpose, scope, location, or beneficiaries of an activity.

This Substantial Amendment addresses the appropriation of \$111, 777,683 and possible additional funding based on need as determined by the federal government from HUD to the State of North Carolina through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136 to allow funding for activities to prevent, prepare for, or respond to the Coronavirus. Specifically, North Carolina’s amendment will:

- Add the supplemental awards and program activities for CDBG, ESG, and HOPWA provided by the CARES Act to the PY2019 AAP;
- Modify the CDBG Method of Distribution for the CDBG-CV program; and
- Include unexpended funds from pre-2019 program years for the HOPWA program to use for COVID-19 related activities. *(Note: This change requires a 30-day comment period).*

**Citizen Participation Plan Process:** Due to COVID-19, HUD has issued guidance that waives the Citizen Participation Plan requirements provided that: (1) no fewer than five days are provided for public comment and (2) reasonable notice and the opportunity to comment is provided. This substantial amendment includes pre-2019 funds, therefore requiring, the following two public comment periods:

- **5-Day Comment Period to Add CARES Act Funding and Modify the CDBG MOD:** The public comment period begins on **Friday, June 19, 2020** with the posting on the North Carolina Commerce website and distribution by e-mail to program stakeholders to inform the public of the proposed Substantial Amendment and inviting comments through **Tuesday, June 23, 2020**.
- **30-Day Comment Period to Allow Pre-2019 Unexpended Funds for COVID-19 Related Activities:** The public comment period to allow the HOPWA program to use pre-2019 funding for COVID-19 related activities begins **Friday, June 19, 2020** and ends on **Saturday, July 18, 2020**.

Citizens may review the Substantial Amendment and the Citizen Participation Plan at [www.nccommerce.com](http://www.nccommerce.com) or may request a hard copy, if needed. All comments received during the public comment period will be incorporated into the final Substantial Amendment submitted to HUD.

**Changes to the 2019 Annual Action Plan:** HUD has awarded supplemental funding through the CARES Act that requires programming within one program year. The State of North Carolina has selected the Program Year 2019 Annual Action Plan to expedite the receipt of CARES Act funds and the implementation of the programs.

The State of North Carolina has received supplemental funding through the CARES Act for the following programs: Community Development Block Grant Coronavirus (CDBG-CV), Emergency Solutions Grant Coronavirus (ESG-CV), and Housing Opportunities for Persons with Aids Coronavirus (HOPWA-CV). HUD has notified the State that additional funds may be provided for each category depending on a formula determined by HUD pertaining to state COVID-19 related metrics. The additional programming and substantial funding increase from the CARES Act depicted in the chart below require a substantial amendment and public notice as described in the Citizen Participation Plan.

#### Proposed Activity Changes by Program

##### Substantial Changes for CDBG/CDBG-CV 2019 AAP

The North Carolina Department of Commerce, Rural Economic Development Division, as the designated administrator of the State of North Carolina CDBG and CDBG-CV programs amends the program activity to use the CARES Act funding to fund public assistance activities which includes payments to assist with short-term emergency rental and utility payments, public facilities which includes broadband infrastructure, and special economic development assistance to small businesses with 100 or fewer employees which includes microenterprises (i.e., businesses with five or fewer employees, including the owner(s)). North Carolina plans to use the current CDBG Method of Distribution to directly fund units of local government; however, NC Commerce will also work closely with the NC Department of Health and Human services to access an existing network of non-profit providers to expedite critical public service activities, especially subsistence payments. To date, the CDBG-CV program has received two rounds of

CARES Act funding totaling \$56,880,909. A portion of the funds, to be established by HUD, will be used for the administrative costs incurred by the State and its grantees.

### **Substantial Changes for ESG/ESG-CV 2019 AAP**

The North Carolina Department of Health and Human Services (NC DHHS), as the administrator of the North Carolina Emergency Solutions Grant (ESG) proposes a Substantial Amendment to the 2016-2020 State of North Carolina Consolidated Plan and the PY2019 AAP to add the newly released ESG CARES Act (ESG-CV) supplemental award making funding available in the FY 2019 program year.

In response to the COVID-19 pandemic, the U.S. Department of Housing and Urban Development (HUD) has allocated \$54,371,413 to the North Carolina ESG Program. A portion, 10% or \$5,437,141.30 is allowed for administrative costs incurred by the State or subrecipients that are units of local government. The Substantial Amendment to the 2016-2020 Consolidated Plan will allow ESG-CV funding to be distributed to current ESG subrecipients and/or eligible organizations who may apply for CARES Act Funding. ESG funds are part of a larger Community Development Block Grant (CDBG) funding package in partnership with the North Carolina Department of Commerce.

ESG-CV funds are to be used to prevent, prepare for, respond and mitigate the effects of the Coronavirus pandemic (COVID-19) among individuals and families who are literally homeless, may become homeless or currently receiving homeless assistance. The funds will also support additional homeless assistance and homelessness prevention activities to further mitigate the impacts of COVID-19.

ESG-CV funds will be used to conduct the following activities:

#### **Emergency Response Activities (COVID-19)**

1. Street Outreach
  - Engaging COVID 19 impacted homeless individuals and families living on the street
2. Emergency shelter
  - Improving the number and quality of COVID-19 impacted emergency shelters for homeless individuals and families;
  - Supporting operating cost for COVID-19 impacted emergency shelters;
  - Providing essential services to COVID-19 impacted emergency shelter residents

#### **Housing Stability Activities (COVID-19)**

1. Rapid Rehousing
  - Rapidly Rehouse COVID-19 impacted homeless individuals and families
  - Provide Financial Assistance and Services to COVID-19 impacted individuals and families.
2. Homeless Prevention
  - Preventing COVID -19 impacted families and individuals from becoming homeless.
  - Provide Financial Assistance and Services to COVID-19 impacted individuals and families

#### **HMIS/DV Comparable Database (COVID-19)**

- Participation, expansion, and administration

All current subrecipients receiving ESG funding and eligible organizations wishing to participate to better serve the homeless population in their community will be invited to participate. With substantial input

from Continuums of Care, stakeholders, NCDHHS and the public, the ESG office and its partners will look for innovative ways in which we can help resolve the effects of this pandemic as well as enhance and share existing programs that have experienced success. Programs such as Back@Home, a state funded rapid re-housing program that was responsible for assisting persons who were homeless as a result of the effects of Hurricane Florence.

### **Substantial Changes for HOPWA/HOPWA-CV 2019 AAP, 2011-2015 Consolidated Plan, and 2016-2010 Consolidated Plan to Use Pre-2019 Unspent Allocations for COVID-19**

*(Note: This substantial change requires a 30-day comment period which begins on Friday, June 18, 2020 and ends on Saturday, July 18, 2020.)*

The North Carolina Department of Health and Human Services, as the administrator of the State of North Carolina federal Housing Opportunities for Persons with AIDS Program (HOPWA) intends to amend the State of North Carolina Consolidated Plans for years 2011-2015 and 2016-2020 in order to expend unspent allocations of funds from FY 2014-2020; and to add the CARES Act HOPWA supplemental award for the Housing Opportunity for Persons with AIDS Coronavirus (HOPWA-CV) Program for the PY2019 AAP. These funds will be used to conduct the following activities:

- To assist HOPWA eligible households in accessing essential services and supplies such as food, water, medications, medical care, and information;
- To educate assisted households on ways to reduce the risk of getting sick or spreading infectious diseases such as COVID-19 to others;
- To provide transportation services for eligible households, including costs for privately-owned vehicle transportation when needed, to access medical care, supplies, and food or to commute to places of employment;
- To provide nutrition services for eligible households in the form of food banks, groceries, and meal deliveries;
- To provide lodging at hotels, motels or other locations to quarantine HOPWA-eligible persons or their household members for a period of up to 60 days using HOPWA funds or up to 6 months using CARES Act funding;
- To provide short-term rent, mortgage, and utility (STRMU) assistance payments to prevent homelessness of a tenant or mortgagor of a dwelling for a period of up to 21-weeks during a benefit period using HOPWA funds or up to 24 months using CARES Act funding;
- Operating costs associated with services related to approved HOPWA activities; and
- Emergency/minor rehabilitation costs for HOPWA facilities or units.

The total amount to be committed in unspent PY 2014, 2015, 2016, 2017, and 2018 funds is \$2,892,524.67. To accomplish this, NC DHHS amends the HOPWA portion of the PY 2014, 2015, 2016, 2017, 2018, AND 2019 Annual Action Plans.

The total amount to be committed for the CARES Act HOPWA Coronavirus award is \$525,361.00 in one-time funding.

**Public Comments:** The State of North Carolina is providing notice for the following two public comment periods:

- **Comment Period to Add CARES Act Funding and Modify the CDBG MOD:** A five-day public comment period begins on **Friday, June 19, 2020** with the posting on the North Carolina Commerce website and distribution by e-mail to program stakeholders to inform the public of the proposed Substantial Amendment and inviting comments through **Tuesday, June 23, 2020**.
- **Comment Period to Allow Pre-2019 Unexpended Funds for COVID-19 Related Activities:** A 30-day public comment period to allow the HOPWA program to use pre-2019 funding for COVID-19 related activities begins **Friday, June 19, 2020** and ends on **Saturday, July 18, 2020**. Please note that, in addition to the public, NC DHHS encourages input from Regional Networks of Care, Housing, Social Services, Non-profits, and faith-based communities.
